

WILD DOG TRIATHLON CLUB CHAMPIONSHIPS RULES

1. Club Champions (male and female) are determined by the most wins and then the highest points scored **in the Long Course** over a minimum of 5 races. If two or more competitors have equal wins and equal race points, joint awards will be declared.
2. In the Club Championship points are awarded according to overall finishing position, NOT Age Championship points.
3. Age Championships will be determined by a points system, where competitors earn points according to the race distance they compete in and their finishing position for a minimum of 5 races over any distance throughout the season.
4. In the event of two or more competitors scoring equal points over the season, joint Age Championship awards will be declared.
5. Age Category points are cumulative, regardless of which distance a competitor participates in. A competitor who participates in long, short and fun tri distances will have all their points added together.
6. A competitor must have paid the race entry fee to be considered as having entered or started a race. A cancelled race where no race fees have been paid does not count as a race for eligibility purposes.
7. Competitors must start a race to earn points and have it count for eligibility purposes. One point will be awarded for any race a competitor starts but does not finish.
8. Points for each race are allocated according to finishing position in their gender and age category.
9. In the event of a race being call off after it has started or if no official results are recorded, all starters will receive the equivalent points normally allocated to 3rd place over that distance.
10. Being a non-racing official or race marshal on a race day entitles you to one Age Championship point but does not count as a race for eligibility purposes; ie you must actually race 5 times to qualify.

Points:

Long Course	Points
1st	12
2nd	10
3rd	9
4th +	8

Short Course	Points
1st	8
2nd	6
3rd	5
